Los Angeles, California 90012

Subject: **SECOND QUARTER 2005 STATUS REPORT FOR
EXXONMOBIL OIL CORPORATION SERVICE STATION #18-KRF
11001 VENTURA BOULEVARD, LOS ANGELES, CALIFORNIA
(FACILITY ID #0010221)**

Dear Inspector Buckner:

On behalf of ExxonMobil Oil Corporation (ExxonMobil), Holguin, Fahan & Associates, Inc. (HFA) is pleased to present the second quarter 2005 status report for the above-referenced site. The report presents a summary of the activities completed during the second quarter of 2005 and the activities planned for the third quarter of 2005.

On December 8, 2004, ExxonMobil submitted a work plan for site assessment activities in response to the City of Los Angeles Fire Department's (LAFD's) letter dated April 30, 2003, which required submission of a work plan to further investigate the vertical and lateral extents of adsorbed-phase hydrocarbons detected during an upgrade of the service station's fuel facilities in 2002.

During the third quarter of 2005, HFA respectfully requests that the LAFD review the above-referenced work plan.
